Caring for Connecticut's Future

DATE: May 26, 1994

To who it may concern:

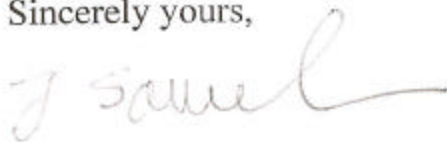

It is my pleasure to write this letter of recommendation for the Cable Systems company. Cable Systems has worked very successfully in a variety of projects for the State of Connecticut Department of Children and Families(DCF).

Mr. Steven Vincent of The Cable Systems and his staff have always been most helpful in accommodating us for meeting our deadlines with the installation of our State Wide Computer System.

The Cable Systems is a professional group who achieves success through hard work, dedication and efficiency.

In conclusion, I have no hesitation in recommending the Cable Systems company. If you require additional information you can reach me at (203) 550-6577.

Sincerely yours,

James Sowl,
Senior Systems Analyst
