North Haven, Connecticut

Dear Mr. Buono and Mr. Vincent:

I would like to take this opportunity to thank you and the technicians that worked in the Governor's Office running voice and data lines.

Although the job they were sent here to do turned out to be more complicated than initially planned, they worked diligently to get the job done and they did it without disruption to our daily schedules.

They were always smiling and friendly to the staff and seemed to really enjoy their jobs.

Again, thank you.

Sincerely,

LOWELL P. WEICKER, JR.
Governor
