Dear Steve and Terry:

On behalf of the Make-A-Wish Foundation of Connecticut, and the children we serve, we would like to extend our heartfelt thanks and gratitude for your contribution and support.

Our children provide us with the dreams, while we supply the imagination, ingenuity, and determination to make those dreams become a reality. The time limits placed upon some of our children by their illnesses make their wishes immediate and important. It is because of your support that each child's ultimate fantasy becomes today's dream come true. Your generosity and kindness are greatly appreciated.

Warmest wishes,

Sandra Nacewicz
Executive Director, Connecticut
