I would like both of you to know how pleased I am with the work Cable Systems has done at the Manchester Courthouse. The overall craftsmanship has been remarkable. In particular, I was very impressed with Mark Burleigh's abilities. He conducted himself as a professional and worked very well with the customer. I would like to also recognize and Thank the following individuals for their outstanding work:

Tom Casey
Bruce Duley
Mark Giannone
Gary Latham
Robert Quarz
Skip Caffrey (Project Manager)
