Dear Mr. Vincent:

I would like to commend your staff on the cabling job for the State Department of Education at 25 Industrial Park Road, Middletown, Connecticut. The job was performed in a timely manner and the patch panel setup is one of the cleanest jobs I have encountered. I would like to give special thanks to Mike DeFusco for his assistance and cooperation in helping us map out and plan the cabling layout.

Thanks for a job well done.

Sincerely,

A handwritten signature in blue ink that reads "Gregory P. Vassar".
