Re: Lee Sperry
Jason Pehr

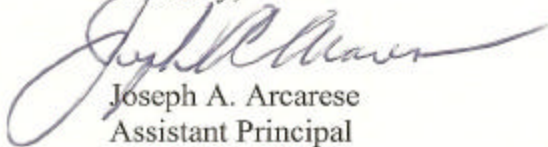

Dear Mr. Vincent:

I am writing to comment on the professionalism of workers Lee Sperry and Jason Pehr. During my many walks through the high school this summer, I have observed that both of these men are extremely personable and take their job seriously. The principal, Tom Neagle, and the other assistant principals have also commented on how well the job is going.

As the foreman, Lee has established a work relationship where the men work well together and seem to enjoy what they are doing. In times where "atta boys" are few and far between, I felt compelled to write this letter and applaud the work of these two men. They have represented Cable Systems in fine fashion.

If you have any questions regarding this matter, feel free to contact me at school.

Sincerely;

Joseph A. Arcarese
Assistant Principal
