Dear Terry and Steve,

I would like to take this opportunity to commend Orlando Arce of your company for the continual outstanding work he has performed at various wiring projects for the State of Connecticut. The meticulous craftsmanship he displays on cabling projects shows the great pride he takes in his work. As equally important as his work ethic is his ability to get along with people, and always conducting himself as a gentleman on the job.

I'm sure you're both pleased to have such a dedicated professional as Orlando "O" Arce employed by your Company. Keep up the good work!

Sincerely,

Paul Nicholas, TTS
