Dear Mr. Vertezzi:

Please accept my appreciation for the professional and timely work that you and your staff performed at the Forensic Laboratory.

Captain Fitzgerald informed me that your team installed several phone lines and cable systems at the laboratory within a very short timeline. The short timeline was due to the ceremonial inauguration of our Computer Crime unit. Your efforts enabled the ceremony to occur on time. Additionally, your efforts have enabled the Computer Crime unit to conduct investigations immediately upon their relocation at the laboratory.

Once again, thank you very much for the excellent service you and your staff have provided to the Forensic Laboratory.

With best regards,

  
Dr. Henry C. Lee  
Commissioner
